

No More War

Star light, star bright, are you in the sky tonight?
Will you shine for me, so brightly gleaming?
Star light, star bright, can I make a wish tonight?
I can see you though the moon is beaming.
I'll wish upon a star, that wherever you are...

There'll be no more pain for you in this world.

No more fighting, crying to be heard.

There'll be no more, no more war.

Children crying, wandering the streets at night,
wishing there was someone to hold on to.

I am safely lying in my bed at night.

How come they don't have the right, like I do?

I'll wish upon a star, that wherever you are...

There'll be no more pain for you in this world.

No more fighting, crying to be heard.

There'll be no more, no more.....

Soldiers fighting, houses burning in the night.

Do the children fear what they will wake to?

Hoping that one day the fear will stop.

Will they still have someone to come home to?

Someone to come home to.....

I'll wish upon a star, that wherever you are...

(High harmony)

wherever you are.

Chorus (x2)

There'll be no more pain for you in this world.

no more

No more pain in this world

No more fighting, crying to be heard.

no more crying to be heard

There'll be no more, no more.

no more, ... no more war

There'll be no more, no more war.

no more, no more war

Star light, star bright, can I make a wish tonight...?

harmony for three children

Key

Things highlighted **yellow** are harmony

Things highlighted **blue** are the high parts sung by the group of three children
