## **Resources**

## Anchorsholme Academy Music Policy

Charanga forms the overview for music development in the curriculum. It contains all lesson plans, activities and assessment opportunities that teaching staff need to deliver a progressive music learning experience for the children. The school is equipped with an annual subscription to the Charanga Website which includes all relevant planning materials and lesson resources. Staff Charanga CPD sessions are delivered by staff and external Charanga representatives. To supplement Charanga lessons, Music Express CDs, year group teaching books purchased previously and Oak Academy online lessons can also be used.

The school is equipped with a wide variety of its own tuned and untuned percussion instruments. Some were purchased by individual Key Stages and are located on music trolleys, and some belong to individual Year Groups and are stored in particular classrooms. The school has a set of its own junior guitars. Each key stage has a set of xylophones. A drum kit is currently on loan from Blackpool Music Service, as well as acoustic and electric guitars, clarinets, flutes, violins and cornets. These resources are loaned to individual pupils taking music lessons, and spares are stored centrally on site in Clinning Cottage. There is also a sound system available in both school halls.

Our core curriculum ensures music is taught throughout the school and every class has access to Charanga, garage band and practical resources.

Our developmental curriculum offers opportunities to enhance learning, these include; Year 3 wider opportunities (recorders) and inter-school music competitions.

Our additional support includes Peripatetic lessons with Mr Morley.

### **Organisation**

Music is taught by class teachers, in class, which may incorporate small group or whole class activities. Each class gets a chance to perform/sing/dance during their own class assembly once per year.

- Year 2 and 4 perform a Harvest Celebration.
- Year 5 perform at the Christmas Carol service held annually at Rossall Chapel.
- Year 3 and Year 1 perform an Easter Celebration.
- Year 6 produce and perform in an end of year show.

Music lessons consist of 45 minute sessions delivered in class per week.

- KS1 pupils currently receive weekly funky Friday using material from "Sing Up" and "Voices Foundation".
- Years 3 pupils receive Wider Opportunities Recorder lessons weekly, delivered by Peripatetic staff from Blackpool Music Service.
- Years 3, 4, 5 and 6 pupils have the choice of receiving paid music tuition in small groups (no more than 3 pupils), learning an instrument, with the support of peripatetic teachers for 20 minutes per week. These lessons are purchased by the school and organised each year by the Peripatetic Music Coordinator, in conjunction with BMS.

### **Equal Opportunities**

In line with our Equality Policy, it is the responsibility of all staff to ensure that all pupils, irrespective of gender, ability, including gifted pupils, ethnicity and social circumstance, have

access to the curriculum and make the greatest progress possible. The school is fully inclusive and as such, all pupils should have access to a broad, balanced curriculum, which includes music.

The school is also taking advantage of the Wider Opportunities Scheme to enable all children in year 3 to experience learning a musical instrument.

The school receives funding for disadvantaged children e.g. those in receipt of income/benefits related free school meals. The school uses some of that funding to extend an opportunity for such children to access weekly music tuition with a Peripatetic Music Coordinator and loan an instrument at no personal cost to the parent.

Music tuition for one instrument is available for children who are pupil premium in year 3 upwards, if they want to take up lessons, this is free of charge.

All children who have tuition have an instrument loaned to them free of charge from Blackpool Music Service, with the exception of drummers

Children in KS2 are provided with a choice of extra-curricular music activities. These activities include:

- Choir: non –selective.
- Ensemble Group: for children able to read/play music at Grade 1 standard minimum in their chosen instrument.
